

National Human Genome Research Institute

Office of the Director

Eric Green, M.D., Ph.D.

Director

Division of Intramural Research

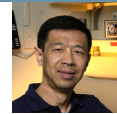

Office of the Scientific Director

Board of Scientific Counselors

Daniel Kastner, M.D., Ph.D.
Scientific Director

Paul Liu, M.D., Ph.D.
Deputy Scientific Director

Cancer Genetics and Comparative Genomics Branch

Elaine Ostrander, Ph.D.
Chief

Genetic Disease Research Branch

Pamela Schwartzberg, M.D., Ph.D.
Chief

Medical Genetics Branch

Maximilian Muenke, M.D.
Chief

Metabolic, Cardiovascular, and Inflammatory Disease Genomics Branch

Charles Rotimi, Ph.D.
Chief

Social and Behavioral Research Branch

Laura Koehly, Ph.D.
Chief (Acting)

Computational and Statistical Genomics Branch

Joan Bailey-Wilson, Ph.D.
Alexander Wilson, Ph.D.
Co-Chiefs

Genetics and Molecular Biology Branch

David Bodine, Ph.D.
Chief

Medical Genomics and Metabolic Genetics Branch

Leslie Biesecker, M.D.
Chief

Translational and Functional Genomics Branch

Julie Segre, Ph.D.
Chief

Office of the Clinical Director

William Gahl, M.D., Ph.D.
Clinical Director

Office of Laboratory Animal Medicine

Intramural Training Office

Intramural Publication Support Office

Technology Transfer Office

Center for Inherited Disease Research

Center for Research on Genomics and Global Health

NIH Intramural Sequencing Center

Undiagnosed Diseases Program
